The Way it Was

A horizontal timeline diagram. On the left, a thick black arrow points to the left edge of a table. On the right, another thick black arrow points to the right edge of the same table. The table itself has three columns. The first column is labeled "Program Year 01", the second is "Program Year 02", and the third is "PY 03". Each column contains two time periods: the first period in each row spans from October 1 to December 31 of the previous year, and the second spans from January 1 to March 31 of the current year.
